

Wednesday January 28, 2015

The Boston Police Foundation supports the brave men and women of the Boston Police Department by funding vital programs, equipment and technological capabilities to improve safety for our city and her police officers. We are currently reaching out to see if you would be interested in joining our restaurant fundraiser to help Back Up Boston's Finest.

On January 28th restaurants throughout the city will be teaming up to provide a percentage of sales throughout the day as a donation to the Boston Police Foundation. We will not be promoting the percentage of sales donated per restaurant rather provide the range of percentages for our press releases and on our website (example 5%-100%) We ask that a minimum donation of 5% must be made in order to be included with the event.

In exchange for being involved in the event we will provide the following promotion and marketing;

- Restaurant name and logo on Boston Police Foundation Website
- Restaurant reservation link on Boston Police Foundation Website
- Restaurant menu on Boston Police Foundation Website
- Press Releases sent to local and national media outlets
- Press Releases sent within internal communication for the Boston Police Department
- Restaurant name/logo to be included on Thank You Page in the official Boston Police Foundation Gala Program
- Restaurant name and logo to be included on official Email Blasts for event
- Restaurant to be mentioned and linked in social media posts

If you have any questions or are interested in joining the Boston Police Foundation Restaurant Fundraiser please contact Adam Benoit by calling (978) 930-9734 or emailing adam@bostonpolicefoundation.org.

The Boston Police Foundation is a 501(c)(3) non-profit organization
