FROM THE COMFORT OF YOUR HOME!

First Responder Foundations across the Country are joining together to raise funds towards First Responder Health and Wellness Programming for their local organizations. The Honoring Our Heroes Concert is a Patriotic performance put together by legendary Irish Tenor, John McDermott.

The concert will be available any time during the last week of the year (December 28th – January 3rd). Let's thank you show our support for our First Responders by supporting and tuning into this virtual concert and enjoy an amazing musical performance.

The Boston Police Foundation has partnered with John McDermott for this fundraiser and are providing other First Responder Foundations the opportunity to benefit as well. Foundation's that have Officer Health and Wellness programming are eligible to participate in this no cost, no risk fundraiser.

The Boston Police Foundation will provide a promotional code to any participating foundation interested in promoting this concert to their database. In addition, branded marketing collateral will be created for the participating foundation as well. That foundation will have the opportunity to receive 50% of any donation attributed by them. In addition, they will receive 75% of any sponsorship sold by that foundation for the event with a not to exceed amount of \$25,000.

Our goal is to create a fundraiser that supports First Responders across the country and help combat the mental and physical stresses and strains of the job.
