

2026 SPONSORSHIP OPPORTUNITIES

MONDAY
JUNE 1

BROOKMEADOW C.C.

100 EVERENDON RD | CANTON, MA

The role of law enforcement continues to grow, placing greater demands on officers to be well-trained, well-equipped, and connected to the communities they serve.

The men and women of the Boston Police Department work every day to keep our city safe—responding to emergencies, preventing crime, and building trust across Boston’s neighborhoods. To do this effectively, they rely on resources beyond what the city budget can provide.

The Boston Police Foundation helps close that gap by funding critical initiatives, including advanced technology, specialized equipment, officer wellness programs, and youth outreach. A key part of this work is the **Community Outreach Programming (COP)**, which connects residents of all ages with Boston Police—building trust and supporting safer communities.

Your support of the Boston Police Foundation Invitational makes this possible, ensuring officers have the tools they need to protect and serve the City of Boston.
