ABOUT THE GALA

The 2026 Boston Police Foundation Gala is scheduled to take place on Thursday, November 19 at the Venezia Waterfront Restaurant & Ballroom in Boston, MA. This prestigious event honors the brave men and women of the Boston Police Department who have gone above and beyond the call of duty throughout the year. Help us Back Up Boston's Finest and applaud their efforts while raising integral funds for our foundation. All proceeds from the event will go directly towards our mission and our four focuses of Officer Wellness and Safety, Community Policing, New Technology and New Equipment to ensure the Boston Police Department and its members can carry out their jobs to the best of their ability.

BOSTON POLICE FOUNDATION

Back up Boston's Finest

ABOUT THE FOUNDATION

The mission of the Boston Police Foundation is to fund advanced training, new technology, officer wellness and safety and community policing efforts and special equipment not covered in the Department's annual budget.

OUR PROGRAMS

OFFICER WELLNESS AND SAFETY

Boston Police officers are human. They don't simply forget the cases they investigate. The Boston Police Foundation supports programs that help cops shoulder post-incident stress, anxiety, and depression.

COMMUNITY POLICING

We are proud to support the Boston Police Department's efforts in Community Policing. The BPD's focus on Community Policing over the past couple of years has been evident and we have supported numerous programs, events and equipment to assist in those efforts. The Boston Police Foundation has recently initiated the Community Opportunities Program (COP) to expand these efforts.

NEW TECHNOLOGY

The Boston Police Foundation funds new equipment and technology that make the Boston Police Department one of the most advanced and best equipped police forces in the country. Our primary focus is to provide equipment that cannot be funded by the department that allows the BPD to do their jobs as safely as possible.

CRIME STOPPERS / TEXT-A-TIP

The Crime Stoppers Hotline and Text-A-Tip programs give communities real-time tools to fight crime. Since the inception of the programs, information from anonymous phone calls and texts has led to arrests in numerous cases, including homicides, aggravated assaults, car-jackings, and home invasions.

NEW EQUIPMENT

The Boston Police Foundation funds the technological tools that make the Boston Police Department one of the most advanced and best equipped Police forces in the country. It is imperative that the department stays ahead of the ever evolving technological curve and we are committed to assisting them with that.
